

KINDER TRESSPASS 91

Following the great success of Trespass 90 last year, Hayfield Kinder Trespass Group will again host events to mark

The Spirit of the Kinder Mass Trespass in

HAYFIELD, High Peak

SATURDAY 22 APRIL and SUNDAY 23rd APRIL 2023

From 1 pm on Saturday 22nd

at the Village Hall and Green:

Speakers and discussion panels on Saturday, together with exhibitions, stalls and live music during both days.

At a time when even existing gains are under threat from some landowners and an unsympathetic government, the themes this year will form the basis for crucially important debates:

- **how can we encourage a wider range of people to engage in campaigns to access to our rightful open spaces: urban and rural; land and water?**
- **What are the most effective strategies for defending and extending that access?**
- **how do we bring campaigning groups together in one movement?**

On Sunday 23rd, there will be large numbers of individuals and groups heading up onto Kinder, as well as the annual Kinder Fell Race.
